

POSTER PRESENTATIONS

Georgetown University School of Nursing

An Exploration of Anesthesia Providers' Education and Management Regarding Cannabis Use in the Perioperative Period - *Perry Gallion, BSN, RN, SRNA, Jessica Dolan, BSN, RN, SRNA, Dana Panganiban, BSN, RN, SRNA, Faculty Advisors Carrie Bowman Dalley, MS, PhD, CRNA, Matthew Dyer, DNAP, APRN, CRNA, Mary Scott-Herring, MS, DNP, CRNA*

Mary Baldwin University Murphy Deming College of Health Sciences

Dexmedetomidine as an Adjuvant to Local Anesthetics in Regional Anesthesia: An Evidence-Based Practice Project to Improve Knowledge and Adoption - *Andargachew Ejigu, SRNA, Ahmed Alebiosu, SRNA, Faculty Advisor Jennifer McPherson, DNP, CRNA*

The Utility of Gastric Ultrasound Workshop to Address Anesthesia Providers' Perception of Implementation Barriers - *Hannah Harding, BSN, RN, NAR, Faculty Advisors Derek Owens, DrAP, CRNA, Janelle Pickering, DNP, CRNA*

Investigation of a Multi-Faceted Approach to Assessment and Improvement of the Nurse Anesthesia Student-Preceptor Clinical Experience - *Matthew Pizzariella, BSN, RN, CCRN, SRNA, Fritznelles Corneille, BSN, RN, CCRN, SRNA, Lauren Morrison, MSN, RN, SRNA, Faculty Advisors Kelly Elmore, DNP, APRN-CRNA, Barbara Acord, PhD, MSN, CRNA*

Old Dominion University Ellmer School of Nursing

The Impact of Clinical Confidence Training on SRNA Perceived Stress and Self-Efficacy - *Kiley Meester, BSN, RN, CCRN, Clare Sullivan, BSN, RN, CCRN, Faculty Advisor Adrienne Hartgerink, DNP, CRNA, FAANA*

Phosphodiesterase-5 Inhibitor Use and Intraoperative Hypotension During General Anesthesia: A Non-Experimental, Causal Comparative Retrospective Study - *Hollieann Gripp, BSN, RN, Roselyn Sylvain, BSN, RN, Faculty Advisor Karen Gillikin, DNP, CRNA*

Examining PACU Nurse Knowledge and Confidence on Neuromuscular Blocking Drugs And Neuromuscular Blocking Reversal Agents - *Marguerite Kennedy, BSN, SRNA, Jacqueline Vernam, BSN, SRNA, Faculty Advisors Donna Rose, DNP, RN, Angela Toepp, MS, PhD, Victoria Goode, PhD, CRNA*

Virginia Commonwealth University College of Health Professions

Optimizing Perioperative Pain Management: Methadone Administration During Surgery to Alleviate Pain and Reduce Opioid Use in the Immediate Postoperative Period - *Maria Florabelle Recel, DNAP, BSN, RN, Faculty Advisors Jodi Carlsen, DNAP, MS, CRNA, APRN, Beverly George-Gay, DNP, MS, MSN, AGPCNP-BC*

Enhancing Safe Apneic Times in Difficult Airway Management using High-Flow Nasal Cannula Compared to Facemask Oxygenation - *Michelle Sames, BSN, RN, SRNA, Faculty Advisors Rebekah Carmel, PhD, CRNA, Jamie Furstein, PhD, DNAP, CRNA, CPNP-AC, FAANA*

Reassessing the Attenuation of Spinal-Induced Hypotension with Ondansetron: A Literature Review Reveals Confirmation Bias - *Jessica Orange, BSN, RN, SRNA, Faculty Advisors Nicole Damico, PhD, CRNA, CHSE, FAANA, Jodi Carlsen, DNAP, CRNA, APRN*
