

Virginia’s CRNA programs continue to expand year over year, and with continued investment in workforce development and patient care, CRNAs are committed to living and working here in Virginia, where they learn and practice.

The data below demonstrates graduation rates for VA’s CRNA programs, as well as in-state and out-of-state employment rates. Each of Virginia’s CRNA programs has consistently celebrated a 100% or nearly 100% graduation rate.

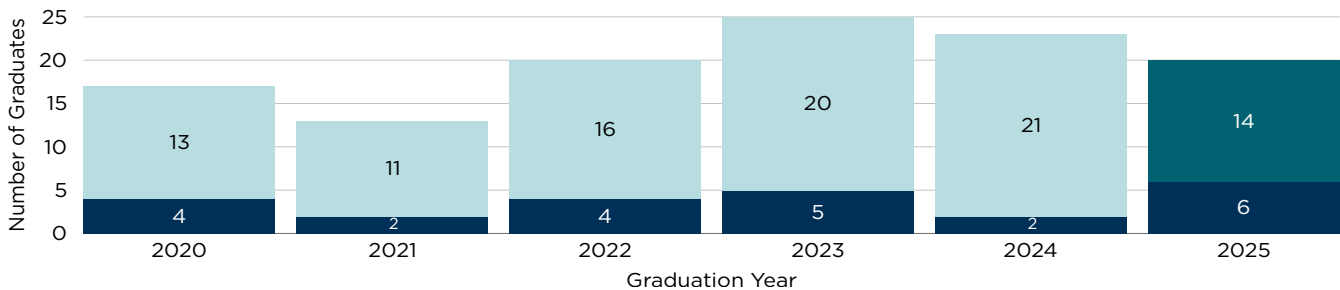

Graduates

Employed In-State

Employed Out-of-State

Old Dominion University
 Virginia Commonwealth University
 Mary Baldwin University
